**Re** : IQC Product Status  
**Date** : August 21, 2024  
**Reference no.** : QCD-000-24-8-096  
**Cc.** : Sir Alvin / Prod'n / PCO / DCO

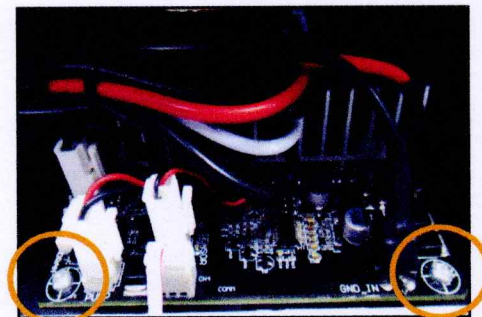

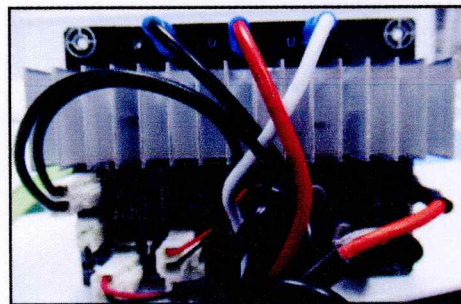

---

Please be informed that starting P/o number KT-2406VK-03R, the **main board** of product indicated below are now with screw to avoid moving and hitting on display board.

Model	Quantity	Serial Number Range
KEA-50BLRDCA	470 units	22012406-10471 to 10940

**PREVIOUS PCB (without screw)**  
ZD\_LVNFI\_B2.1

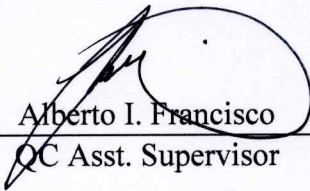

**NEW PCB (with screw)**  
ZD\_LVNFI\_B2.3

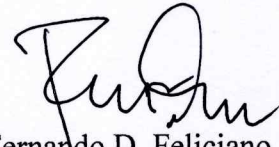

**Remarks:** Minor changes on PCB number, version only. New design of heat zinc, but same board dimensions, terminals, and can be use on previous units.
