Validity: This quotation is valid for a period of fifteen (15) days from the date thereof, subject to our confirmation thereafter.

**Installation notes:**

- 1 Location of indoor and outdoor units were agreed by the customer and Kolin's surveyor.
- 2 Mechanical Plans, Permits, Electrical permits not included.
- 3 It is recommended to operate ACU1, ACU2 and ACU3 at dining area at the same time to avoid undercapacity.
- 4 Expose coppertube in Cold Storage and Office, Embed copper tube lay on Dining area and Aegyo Cakes chipping works c/o customer contrator.
- 5 Lay out first before installation of units. For site visit with installer.
- 6 Deflectors, masonry, carpentry, chipping & plastering (finishing & restoration) are not included in the installation.
- 7 Air conditioning drain line and Electrical power supply (feeder line) **220v/ 60hz/ 1ph** , should be provided by customer's contractor.
- 8 **Final charges will be based on actual installation.**

astula.bersamin@gmail.com

Please be informed that the air-conditioner you intend to purchase is under capacity as compared to the following unit that we proposed:

Location	Area	Kolin's Recommendation	Customer's Choice	Remarks
Cold Storage	11 sqm	KSG-IWF-20WFY8K1M32	KSG-IWF-15WFY8K1M32	Calculated capacity 1.6HP, undersize by 0.1HP

Since the unit of your choice is under capacity, it is probable that you may experience the following;

1. Capacity of the unit to cool the area will take longer or it will not cool the area at all that may lead to your dissatisfaction with the cooling performance of our unit.
2. Power consumption will be higher due to frequent running of compressor for not reaching the desired temperature within the normal parameter.
3. Useful life of compressor will be shortened due to excessive running beyond the normal run cycle.

Considering the above conditions, we regret to inform you that we cannot guarantee the efficient performance of unit. **Also, One (1) year warranty for parts (compressor-full warranty).**

For your guidance and information
