We are pleased to inform you that a two-day training session entitled *Effective Internal Auditing to ISO 9001:2015 and QMS Based on ISO 19011:2018* is scheduled on June 23–24, 2025, from 9:00 AM to 4:00 PM at the AVR. This training is designed for internal auditors and personnel involved in the monitoring and implementation of quality objectives. It aims to reinforce their role in maintaining compliance and contributing to continual improvement across the organization.

Training Objectives are :

- To enhance understanding of ISO 9001:2015 requirements and how they relate to internal audits.
- To strengthen skills in planning, conducting, and reporting audits based on ISO 19011:2018 guidelines.
- To clarify the responsibilities of auditors and quality objective owners in monitoring performance and addressing gaps.
- To promote effective use of audit tools, including the latest observation forms and checklists aligned with current standards.

This training is mandatory for the attendees listed below.
