---

This is to inform you that we have ongoing sale promotion for our old models (Aircon and LED TV) to give way to our incoming stock to the Central warehouse.

In line with this we encourage you to offer our old model product especially our Wall mounted Aircon (Inverter and Non inverter) to our Authorize Service Center (ASC) with good payment status. This is cash basis only with up to 35% discount and valid on our existing installation promos. This offer is valid until supply last. Please see attached file for the price and available models.

Thank you very much.
