

Installation Program Guideline

1. Program covers all purchases of brand new Kolin Wall Mounted Split Type Air Conditioners.
 2. Presentation of Original Sales Invoice and submission of photocopy is necessary to avail of the installation program.
 3. Installation program covers first 10 feet of Insulated Copper Tube and labor. In excess of 10 feet, additional charge per foot for insulated copper tube.
 4. Only Kolin Technicians or its Authorized Service Centers are allowed to install the units for customers to avail of the program.
 5. Program does not include the following: Royal Cord, Outdoor Unit Bracket, Outdoor Breaker.
- **Note:** Power supply connection from Outdoor breaker to main source and drain line must be supplied by the customer.
6. Masonry works (concrete chipping and plastering) is not included and must be supplied by customers.
 7. Transportation and lodging fees will be charged to customers for installation outside Metro Manila and for Provincial areas outside city limits of Kolin Service Centers.
 8. P500 will be charged as survey fee; however this is deductible from the Installation charges.
