AIR COOLER *with* PURIFIER

Enjoy refreshing comfort with the Kolin Air Cooler with Purifier, designed to deliver cooler, cleaner air for your everyday spaces. Its **Puri-Filtration System** helps reduce dust, airborne particles, and odors, while **3D Airflow and four fan speeds** let you personalize your cooling experience.

Featuring a **slim, modern, and space-saving design**, it blends seamlessly into your space without taking up too much room. It is built for maximum convenience, featuring a **45-liter detachable water tank** that allows for hours of continuous cooling with fewer interruptions for refills. It comes complete with an **LED ambient display, water shortage reminder, remote control, and smooth caster wheels** to ensure effortless comfort wherever you need it most.
