Address:Unit 3 and 4, Sta Rosa Commercial Complex, Diamond Rd, CITY OF SANTA ROSA, Laguna

Please be informed that the air-conditioner you intend to purchase is under capacity as compared to the following unit that we proposed:

Location	Area	Recommendation	Customer's Choice	Remarks
Ground Floor Dining	90 sqm	2 Units Floor Mounted (4HP)	2 units 3hp wall mounted	Total Head Load 123,000Kj/hr Recommendaion 12.9HP Under Capacity by .95 HP

Since the unit of your choice is under capacity, it is probable that you may experience the following;

1. Capacity of the unit to cool the area will take longer or it will not cool the area at all that may lead to your dissatisfaction with the cooling performance of our unit.
2. Power consumption will be higher due to frequent running of compressor for not reaching the desired temperature within the normal parameter.
3. Useful life of compressor will be shortened due to excessive running beyond the normal run cycle.

Considering the above conditions, we regret to inform you that we cannot guarantee the efficient performance of unit. Also, 5 year(s) compressor warranty.

For your guidance and information
