Area

11.1 sqm

BEDROOM2

Validity: This quotation is valid for a period of fifteen (15) days from the date thereof, subject to our confirmation thereafter.

Installation notes:

- 1 Location of indoor and outdoor units were agreed by the customer and Kolin's surveyor.
- 2 AC drain line will be tapped to the nearest drain provision provided by the customer's contractor.
- 3 Need for marking and site visit before installation.
- 4 Coppertube Lay out going inside the ceiling, customer contractor will chip the wall and open the ceiling.
- 5 Working days: Monday to Saturday, 8am-5pm with parking. Need working permit.
- 6 Mechanical Plans, Permits, Electrical permits not included.
- 7 Deflectors, masonry, carpentry, chipping & plastering (finishing & restoration) are not included in the installation.
- 8 Air conditioning drain line and Electrical power supply (feeder line) 220v/ 60hz/ 1ph, should be provided by customer's contractor.
- 9 Final charges will be based on actual installation.

asuncionjohnvincent@gmail.com

Please be informed that the air-conditioner you intend to purchase is under capacity as compared to the following unit that we proposed:

Location	Area	Kolin's Recommendation	Customer's Choice	Remarks	
LIVING/DINING/	46.2 sgm	KLM-SF70-4F1M32	KLG-SF40-WBR6H1M32	calculated 4.8hp	
KITCHEN	40.2 34111	KEIVI-3170-4111VI32	REG-3F40-WBROHIW32	under by 0.8hp	

Since the unit of your choice is under capacity, it is probable that you may experience the following;

- 1. Capacity of the unit to cool the area will take longer or it will not cool the area at all that may lead to your dissatisfaction with the cooling performance of our unit.
- 2. Power consumption will be higher due to frequent running of compressor for not reaching the desired temperature within the normal parameter.
- 3. Useful life of compressor will be shortened due to excessive running beyond the normal run cycle.

Considering the above conditions, we regret to inform you that we cannot guarantee the efficient performance of unit. Also, One (1) year warranty for parts (compressor-3years).

For your guidance and information
