Please be informed that the air-conditioner that you purchased is undersized and is probable that you may experience the following;

AREA	RECOMMENDATION	CUSTOMER'S CHOICE	REMARKS

1. Capacity of the unit to cool the ares will take longer or it will not cool the area at all that may lead to your dissatisfaction with the cooling performance of our unit.
2. Power consumption will be higher due to frequent running of compressor for not reaching the desired temperature within the normal parameter
3. Useful life of compressor will shortened due to excessive running beyond the normal run cycle.

Considering the above conditions,we regret to inform you that we cannot guarantee the efficient performance of unit.,,Also one year warranty for parts(compressor____year/years).
