

COMPANY PROFILE

kolin | works
air conditioner for
years

www.kolinphil.com.ph

KOLIN PHILIPPINES INTERNATIONAL, INC.

Brief History

Kolin originated in Taiwan in 1963 and brought here in the Philippines in 1996. Kolin Phils. Int. Inc. also known as KPIL is one of the largest manufacturers of home appliances in the Philippines. Launched in market and began its operation on July 1996. It manufactures different product lines ranging from television sets, refrigerators, electric fan and air-conditioners

Our assembly plant is located in First Cavite Industrial Estate or also known as FCIE at Brgy. Langkaan 1, Dasmarinas, Cavite, and its operation started in October of 1997

KOLIN PHILIPPINES INTERNATIONAL, INC.

VISION

A consistent major player in the industry that is committed to produce, innovate and distribute world class home appliances and service, molded by competence and dedication to quality after-sales service, guided by moral and ethical business principle.

Contribute to the development, growth and upliftment of the welfare of its employess, share-holders, customers and suppliers. Genuinely committed in supporting community endeavors in the preservation of the environment.
